RE: OCEAN SHORES COMMUNITY CLUB vs STERMER-COX

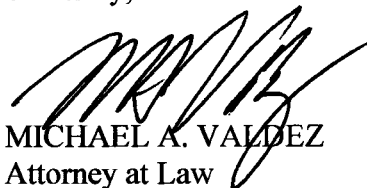

Dear Mr. and Mrs. Stermer-Cox:

You will find enclosed a conformed copy of the "Stipulation in Support of Judgment Granting Permanent Injunction" which I filed with the court on May 30, 2012. You will also find enclosed a conformed copy of the "Judgment Granting Permanent Injunction" which has been signed by Judge Godfrey and filed with the court on May 30, 2012. Finally, you will find enclosed a copy of RCW 7.40.150 "Contempt for disobedience" and RCW 7.40.160 "Attachment and arrest – Indemnity of plaintiff".

I have enclosed these copies of the enforcement sections of the injunction statute so that you will be fully aware of the consequences of any violation of this permanent injunction against you. The Ocean Shores Community Club fully intends to strictly enforce this permanent injunction. If you violate this permanent injunction the Community Club will ask the court to issue a warrant for your arrest and imprisonment in the Grays Harbor County Jail and it will ask the court to grant it a judgment against you for the attorney fees and costs that it incurs in the process of enforcing the injunction.

I hope that you will find peace in Oregon.

Sincerely,

MICHAEL A. VALDEZ
Attorney at Law
